

Wera Advent Calendar 2017

Code Nr.: 05135998001
EAN: 4013288187864

The mini screwdriving workshop for every Santa Claus: 24 doors conceal 34 tool surprises to enable simpler working even in confined working situations.

One Kraftform Micro bit holder with magnetic chuck for 4 mm Micro interchangeable blades, one Kraftform bit holder with Rapidaptor quick-release chuck for standard 1/4" bits, one socket adaptor and one offset screwdriver (each from 1/4" hex to 1/4" square); includes 8 Micro bits (30 mm long), 12 bits (50 mm long) and 8 sockets (1/4"), bits and sockets with "Take it easy" tool finder with colour coding and size stamp to enable simpler

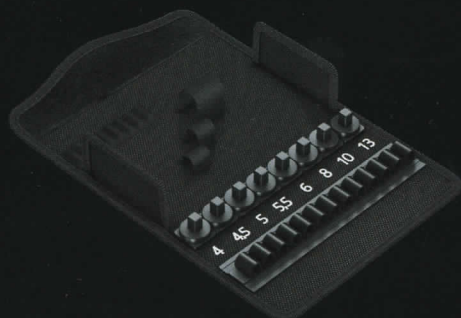

and faster access to the tool needed; the accompanying offset screwdriver for sockets enables a very high torque transfer thanks to its good leverage effect.

The set comes with a textile box for neat and tidy arrangement and storage of all the tools from the Advent Calendar; textile Box with nonwoven section for docking of the tool set onto the Wera 2go system; also included: self-adhesive hook and loop fasteners to attach the textile box to workshop walls or tool trolleys.

The set for all frequently needed screw profiles.
